

Getting Your Home Ready

For Our Photo Shoot

Once these items are done your home will be one step closer to sold

Drive ways & door entrance must be debris free, any ornaments, decorations or other must be put away. Exterior should be pressure cleaned (if needed). Also cars should not be left in the drive way.

Neutral paints are the most favorable for both the interior and exterior. Also please make sure to replace any light bulbs that aren't working.

Lawn must have been recently landscaped , to ensure it's true beauty is emphasized.

Pool* should be crystal clear. It should be free of leaves, toys, vacuums, or other objects. The furniture should be neatly organized & clutter free. *(if applicable)

Living room must be uncluttered & depersonalized as much as possible. Try putting away family photos and very unique decorative items.

Kitchen counters must be free of personal items as well as any extra kitchen accessories or utensils. Food containers, snacks, boxes or other items should not be visible.

In the bedrooms, all clothes and accessories should be put away and organized (we also take pictures of walk in closets). Beds should be neatly done , picture frames should be put away as well as extra decorations.

Bathrooms should be nicely organized, counters should be cleared off. No tooth brushes, perfumes or personal thing. Nothing should be laying around.
